

# FAMILY STRENGTHENING PROGRAM TESTIMONIALS

## ***TODAY IS ABLE TO CARE FOR HER CHILDREN***

Nakibogo Prossy is a single mother with three children, Mwebaze David, Mukisa Emma and Nandela Linet, living in Nakavule Village in Iganga District. Prossy was uneducated, full of anxiety and abandoned by the husband after getting another wife. Then received counseling, business skills training, financial literacy and soft loan through world for life family strengthening program and discovered faith in Jesus Christ.

With the loan offered to her, she was able to start up a stall selling vegetables.

Today she is able to care for herself and protect her children from poverty and its effects.

## **NAIKOOBA JESSCA**

Jessca is a 61 year old woman from Nabidhonga village in Iganga, she has three granddaughters. The father to the children abandoned his responsibility of caring for the children to his mother who could not even support herself.

But through World for Life family strengthening program, she received business skill training and soft loan and was able to start a small scale business of selling cassava chip and pancakes in the community to earn a living.

The money she gets, she able provide everyday meals to her grandchildren.
